You could just subscribe to softslanding's premium users. They have a section in the chat with premium users that you could join. They also have a website on which they sell premium users: softslanding.com You should be able to find what you are looking for there. A: I'm going to answer the question even though it's probably a lot of work for me (or you) to do. OK, the easiest way is to purchase the old Symantec cyber planet site from It's Was Decent. Next you would have to download the files from this cache (uploaded files, there are just so many there that if you try to download them manually, you'll quickly lose patience). Then you need a script to go through and replace the zip file names with your keys. You would then upload your zipped files to a different place you control. These files need to be uploaded so you can download them using FTP or SSH/SCP. 6d1f23a050
